WEEK

A colourful celebration on May 15th - 21st, 2023

Gather your squad and get ready to share some laughs
and good times over our delicious pizzas.

**Spend THB 1,200
and get a complimentary 10" pizza!**

From the carefully sourced ingredients to the cooking process,
Chim Chim's pizza is like no other.

Chim Chim's pizzas are made with dough allowed to ferment for 48 hours
and then thrown into our piping hot oven, which boasts an iconic mosaic design.
The result is an airy crust with a subtle sourdough flavour and
just the right amount of crunch, pop and stretch.
