A NOT-FOR-PROFIT
INDIE ART SPACE
FOR RISING TALENT

Situated just a stone’s throw from Bangkok’s CBD, Chim Chim is a vibrant new addition to the buzzing Siam art district and offers a rotating selection of multimedia works from Thai and international artists whether emerging or established.

The flexible space presents a clean canvas for a diverse display of creativity, which continues with an upstairs workshop space that encourages interaction between resident artists and the public.

The project features both curated and proposal-based exhibitions, which aim to build a network of creative minds and attract local foot traffic.

WOOD FIRED NY PIZZA

At Chim Chim, our New York-style wood-fired pizzas are crafted with naturally leavened dough for a perfect balance of char, crisp, and soft texture. We source only the finest ingredients, both locally and internationally, to deliver an exceptional pizza experience.
